

COLORECTAL CANCER QUICK START GUIDE

Just been diagnosed with colorectal cancer
and don't know where to start?

colontown.org

Get a handle on what's next with these 3 simple steps:

1

Check out CRC101 for cancer education for patients, by patients

2

Get tested for biomarkers, including your MSS/MSI-H status

3

Join COLONTOWN to connect with people just like you in over 100 online patient support groups
